## FIBERGLASS TRACTOR CANOPY WITH DOWN-DRAFT FAN FITS VERTICAL 3" X 2" ROLLBAR (ORANGE)

### Product Overview

Work in comfort with a canopy with an integrated overhead fan that provides you with clean, cool air. The canopy gives you shade on hot, sunny days. Increase productivity by keeping the dust, sun, debris and insects off of equipment operators.

### Features & Benefits

- Hand laid fiberglass construction with gel-coat finish
- Heavy duty steel fan frame with 16" S Blade trimline fan
- 12 Volt, 11 Amp
- Can be transported at reasonable speeds
- Easy on, easy off with four bolts
- Available in factory matching colors
- Overhead fan also sold separately

**Item No: CT-CFNG (Orange)**

**MSRP: \$624.99**
